

### The equipment you need

White wool / Black wool /

Knitting needle / Crochet / Wool needle

### Realization

1 – Knit a 4x4 inches square with white wool in garter stitch, rice or wheat.

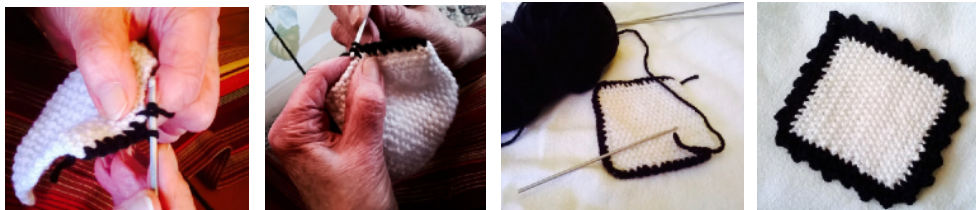

2 – Stop the threads and cut them.

3 – Make a crochet border with black wool.

Small round pins : Crochet a tight stitch in the border, 3 stitches up and on the way back, a tight stitch in the second and the first stitch up, drop one or two stitches and then start again until the end of the row.

4 – Create the eyes and the mouth with a black wool thread embroidering on the white square.

5 – That's it, Lumi is ready to smile !

Now you can take it everywhere and photograph it without limits !
